THE EARTH SAVERS CLUB!

HEY! YOU CAN'T LITTER IN THE SCHOOL PARK!

WE SHOULD DO SOMETHING, BUT WHAT?
TO THE TEACHER!
MS. KRAMER, WE WANT TO HELP WITH THE LITTERING PROBLEM, BUT WE DON'T KNOW HOW!
WELL, ANY way YOU CAN HELP, YOU'LL NEED TO GET THE APPROVAL OF THE PRINCIPAL.

I'D LOVE TO HELP. WHAT DO YOU PROPOSE WE DO?

WE SHOULD MAKE A CLUB TO HELP OUT THE SCHOOL...

BUT WHAT WILL WE CALL IT?

THE EARTH SAVERS!

HEY! THERE'S EVEN TRASH HERE!

WELL, THERE'S PLENTY OF BOOKS, ARTICLES, REFERENCE MATERIALS, AND THERE'S ALWAYS THE INTERNET.

OVER 51 BILLION PIECES OF LITTER LAND ON U.S. ROADWAYS EACH YEAR.

LITTER CLEANUP COSTS THE U.S. ALMOST $11.5 BILLION EACH YEAR, WITH BUSINESSES PAYING $9.1 BILLION.

GOVERNMENTS, SCHOOLS, AND OTHER ORGANIZATIONS PICK UP THE REMAINDER.

HEY! THERE'S OTHER PROBLEMS IN OUR COMMUNITY TOO!

PROBLEMS LIKE POLLUTION FROM SMOKE STACKS AND NOISE POLLUTION FROM CARS!

WE GOT A LOT MORE ISSUES TO THINK ABOUT THAN JUST LITTERING!

YOU KIDS SHOULD FIGURE OUT WHICH PROBLEMS ARE BEST FOR YOU TO TACKLE.

THANKS FOR YOUR HELP, SRUT!

WE WILL!

EARTH SAVERS WILL RETURN!
THE EARTH SAVERS CLUB!

I want to congratulate you on taking the time to figure out what issues you want to choose. So what did you decide?

After considering the information, we think it’d be best if we tackled littering first and then expand to other environmental issues.

You’ll probably need to do more research.

We should make a stakeholder web!

You mean a stakeholder web?

That too! We can organize all the people who might have information about our topics!

Maybe local city council would be someone to talk to since our research found that the city council recently enacted a tougher littering ordinance.

I’ll schedule a meeting right now...

With council members Connie Chen...

And Kaya Shoniabare!

EARTH SAVERS WILL RIDE AGAIN!

SO, WE’VE GOT THIS AMAZING INSIGHT, WHAT ARE WE GOING TO DO ABOUT THE ISSUE?

REMEMBER THAT GREAT HUFFINGTON POST ARTICLE WE READ LAST WEEK ABOUT THIS OTHER SCHOOL GROUP WHO DID SOMETHING SIMILAR?

YEAH, THEY ORGANIZED MONTHLY CLEANUPS, ADDED EXTRA TRASH BINS AROUND CAMPUS, AND CREATED GREAT VIDEOS ABOUT THEIR PROJECT!

WELL, LET’S TALK ABOUT HOW WE CAN DO STUFF LIKE THAT AND COME UP WITH A WELL-WRITTEN PLAN!

HMM NO!

YES YES MAYBE...

THAT’S GOOD...

DONE!

WHAT DO YOU THINK, MS. KRAMER?

Hmm, it needs a little cleanup, but it’s a solid plan. Take it to Mr. Shannon!

OFF TO THE PRINCIPAL!

Hmm, I have a few suggestions...

...but each person’s role is well defined, it has a reasonable timeline, and you have research backing up your methods!

WELL DONE!

YAAAAY!

EARTH SAVERS ARE ON THE RIGHT TRAIL!
Hey I'm home! Guess what mommies!

What is it?

The principal liked our proposal!

That's great honey!

There's that can-do attitude!

We've been making changes too! We're going to conserve more water and electricity!

We're even starting a compost bin!

That's great mommies! That'll really help the environment!

Ding dong!

That's the other Earth Savers! We're going to prepare for the big clean-up day!

Hey! You're late!

We should brainstorm what we're going to say for clean-up day.

This is gonna be the best day ever!

Earth Savers are ready for the big day! Are you?
WELCOME TO THE FIRST EVER COMMUNITY CLEAN-UP DAY!

I ALSO WANT TO RECOGNIZE MY FELLOW EARTH SAVERS FOR THEIR LEADERSHIP!

KIDS, LET ME INTRODUCE YOU TO JOSH, FROM THE LOCAL NEWSPAPER. HE’LL BE WRITING A STORY AND TAKING PICTURES OF THE EVENT!

AND THIS IS MAYOR HOWARD, WHO STOPPED BY TO CONGRAGULATE YOU!

YOU LITTLE POLICY CHANGERS ARE DOING A GREAT JOB IN THE PARK!

HEY THANKS!

OK, EVERYONE SAY EARTH SAVERS CLUB!

EARTH SAVERS ARE READY MAKING A DIFFERENCE!

You kids did a great job!

The article on your big day just came out!

Daily Reporter
Kids clean up park

Yay! Cool! Hey why do I look so short?!

I had a lot of fun putting everything together!

Yeah, and it was really great helping out the environment!

And now that the park’s clean, me and my parents go all the time!

Your group did a great job cleaning up!

And there’s always more to do.

And there’s countless other issues in our school we could tackle!

Then let’s get to it! Earth Savers... away!

Earth Savers cleaned up nicely! You can too!
