

To Whom It May Concern:

Hometown Security Labs has agreed to be the fiscal sponsor for Greening Forward.

As such, unless otherwise stated, we have committed to restrict all monies raised in the name of Greening Forward to that program. We have encouraged Greening Forward's President, Charles Orgbon to pursue funding opportunities using our 501c3 status (FEIN # 46-1782222).

We are delighted to be able to support this organization.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Majora Carter', written in a cursive style.

Majora Carter  
Board Vice-Chair  
Hometown Security Laboratories
