

GREEN SCHOOLS CONFERENCE & EXPO

MARCH 31 – APRIL 1, 2016 | PITTSBURGH, PENNSYLVANIA

This year's Student Summit is designed to educate, empower, and inspire middle and high school students as our next generation of leaders. The Student Summit will equip students with 21st century skills, knowledge, and resources to help impact their schools and communities.

STUDENT SUMMIT OPENING

Join us as we kickoff the Student Summit! During this time, you'll have the opportunity to network with fellow attendees, participate in our inaugural social media competition, play some fun games, as well as learn more about what you can expect from the conference events.

KNOWING THE ISSUES: CHALLENGES AND BEST PRACTICES IN SUSTAINABILITY

Join professionals in the sustainability sector to understand and explore the issue areas of sustainability, relevant solutions, and best practices in a dynamic, round robin style session with small group discussion.

THE FOUNDATION FOR CHANGE: MUST-HAVE LEADERSHIP SKILLS FOR STUDENT GREEN SCHOOL LEADERS

Come participate in our skills-based session, where you'll learn everything you need to know in order to become a successful agent of change in your school community. This session, led by expert youth will take a deep dive into five critical skills that will help you take your youth leadership to the next level.

PASSION INTO OPPORTUNITY: BUILDING YOUR PATH TO A GREEN CAREER

Interested in turning your passion for sustainability and the environment into a career? It's never too early to start. Hear from a panel of green career professionals on how they got started and their advice for you, from classes and internships, to volunteering in your school and community.

NOW WHAT? (STUDENT SUMMIT CLOSING)

During the Student Summit closing, you'll answer the most pressing question: now what? We'll help you bring the conference events full circle by taking what you've learned and using your strengths to build an action plan that will allow you to create tangible change at your school.
